

Question for written answer E-001760/2016
to the Commission
Rule 130
Urmas Paet (ALDE)

Subject: Visa exemption

When will the EU start negotiations to establish EU-wide visa exemptions with countries which currently apply those exemptions to only some Member States?

Given that it puts some EU citizens at a disadvantage, when will that situation end?

For example, when will such negotiations start with South Africa? With what other countries does the Commission plan to enter into negotiations?
