Subject: Update on Investigation SA.39990 (2014/CP)

In January 2015 the Commission announced that an investigation had been launched into the Belgian firm Ducatt NV in an answer by the Commission to a parliamentary question on this matter. The investigation was launched due to a complaint by a competitor of Ducatt and registered under case number SA.39990 (2014/CP).

Is there any information about when the Commission will finish this investigation or at least when an interim report can be expected?
