

**Question for written answer E-003120/2016
to the Commission**
Rule 130
Siôn Simon (S&D)

Subject: EU anti-terror activities

Recent polls show that an increasing number of UK citizens believe that leaving the EU might actually decrease the risk of terrorist attacks in the UK.

Can the Commission therefore provide at least ten examples of how the EU is working to tackle terrorism? In addition to this, can the Commission highlight instances where such activities would not otherwise be feasible for countries outside the EU?
