Rule 130

Subject: Transposition of the directives on public procurement and on concession contracts

Directive 2014/24/EU of the European Parliament and of the Council of 26 February 2014 on (classic) public procurement and Directive 2014/23/EU of the European Parliament and of the Council of 26 February 2014 on the award of concession contracts ought to have been transposed into national law by 18 April 2016.
