

**Question for written answer E-005160/2016
to the Commission**
Rule 130
Ole Christensen (S&D)

Subject: Fisheries Partnership Agreement between the European Union and the United Kingdom

1. What are the consequences for other EU countries fishing in British waters now that the UK is leaving the EU?
2. Does the Commission consider it possible for a Fisheries Cooperation Agreement (FPA) to be concluded with the United Kingdom?
3. Does the Commission have a plan for how to quickly negotiate a FPA with the United Kingdom, and does the Commission have an idea of how long it will take to negotiate such an agreement?
