

**Question for written answer E-005363/2016  
to the Commission**  
Rule 130  
**Ivana Maletić (PPE)**

Subject: Entrepreneurship education

To help young people acquire entrepreneurial skills, and to foster a common mindset, the Commission has developed reference frameworks for digital skills and entrepreneurship. Which Member States have implemented these reference frameworks in practice and how?

Are there plans to devise ways of assessing and validating digital and entrepreneurial skills?
