

**Question for written answer E-005479/2016  
to the Commission**  
Rule 130  
**Enrico Gasbarra (S&D)**

Subject: Social policies for children

According to most economic indicators, the economic and financial crisis has hit the youngest social groups in Europe, and children in particular, especially hard.

Does the Commission intend to support the proposal for a 'Child Compact', or a systematic check on all EU legislation to achieve greater coherence in social policies for children?
