

**Question for written answer E-005665/2016
to the Commission**

Rule 130

José Blanco López (S&D)

Subject: Freezing of ERDF payments in Galicia

In its reply to my question No E-003713/2016, the Commission confirmed that the detection of shortcomings and/or irregularities had led to the interruption of the payments from the European Regional Development Fund (ERDF) in relation to several programmes in Galicia, Spain.

Which programmes have been affected, how much funding for Galicia has been frozen, and have any steps been taken to overcome this impasse?
