

**Question for written answer E-006414/2016
to the Commission**
Rule 130
Ivan Jakovčić (ALDE)

Subject: Brexit - impact on EU funds

Should the UK leave the EU, is there a projection by the Commission regarding the extent to which the amount of planned EU funds for that country would be reduced?

Is there a projection regarding the method to redistribute those funds in favour of other Member States?
