Subject: Release of EU funds

Further to previous questions on the structural and cohesion funding received by Galicia in the last financial period, I would like to know how much Community funding was 'lost' or not used as a result of no match funding being provided by the public authorities in the 2007-2013 period, with a breakdown by type of structural funding (European Social Fund and European Regional Development Fund) and, where applicable, of cohesion funding, along with the amounts for the European Agricultural Fund for Regional Development, the European Fisheries Fund and any other EU cohesion programmes.
