

Question for written answer E-007252/2016
to the Commission
Rule 130
Cătălin Sorin Ivan (S&D)

Subject: Combatting poverty

The problem of lack of staff in the workplace and the rise in poverty and social exclusion in the 28 Member States have become main objectives and a priority in the EU agenda.

Does the Commission consider the objective of achieving a level set in 2010 of 75% of those currently living in poverty reaching the workplace to be an objective that can be achieved by 2020?
