

**Question for written answer E-007258/2016
to the Commission**

Rule 130

Jiří Maštálka (GUE/NGL)

Subject: Directive 2004/113/EC on the principle of equal treatment between men and women in the access to and supply of goods and services

How will the Commission help the Member States in implementing Directive 2004/113/EC on the principle of equal treatment between men and women in the access to and supply of goods and services in new areas of application such as services within the digitalised collaborative or sharing economy – areas that go beyond the traditional services that were considered at the time of drafting the directive?
