

**Question for written answer E-007440/2016
to the Commission**
Rule 130
Mairead McGuinness (PPE)

Subject: Ageing and the Sustainable Development Goals

The 17 Sustainable Development Goals refer frequently to 'older people' or 'people of all ages', in recognition of ageing populations throughout the world.

How does the Commission plan to reflect this focus on people at all stages, both within the EU as well as in its development policy?
