

**Question for written answer E-007480/2016**  
**to the Commission**  
Rule 130  
**Renaud Muselier (PPE)**

Subject: Infrastructure investment under the cohesion policy

Discussions at EU level have started on the upcoming programming of the cohesion policy and the first proposals have been put forward.

Will the Commission reconsider the principle of a ban on infrastructure investment that governs the 2014-2020 programming for the most developed regions?
