

**Question for written answer E-007706/2016
to the Commission**
Rule 130
Jonathan Arnott (EFDD)

Subject: Food packaging

Can the Commission provide a detailed list of scientific studies considered when bringing forth any legislation on this matter, both supporting and unsupportive of banning Bisphenol-A in food contact materials.

What specific scientific evidence has the Commission evaluated in connection with banning endocrine-disrupting chemicals in food packaging?
