to the Commission**

Rule 130

Doru-Claudian Frunzuliță (S&D)

Subject: Nigerians in urgent need of humanitarian aid

It seems that 14 million people in northeast Nigeria urgently require humanitarian assistance, with 400 000 children in critical need of assistance and 75 000 children at risk of dying in 'a few months', according to the UN. The crisis is unfolding at 'high speed'.

Does the Commission intend to help alleviate the crisis?
