to the Commission**

Rule 130

Ivan Jakovčić (ALDE) and Jozo Radoš (ALDE)

Subject: Smoking in bars and restaurants

Given that Croatia has again raised the question of smoking tobacco products in bars and restaurants recently, and that a number of interpretations exist regarding the possibility of using tobacco products in bars and restaurants across Member States:

To what extent and how do EU laws regulate smoking in public spaces (bars, restaurants, terraces)?

Does the Commission have information about the way in which this matter is regulated in Member States?
