Rule 130
Alain Cadec (PPE)

Subject: Landing obligation in the scope of sustainable fisheries agreements

In Article 31(3) of Regulation (EU) No 1380/2013, the legislator adopted the following text: 'the Union shall endeavour to include in Sustainable fisheries partnership agreements appropriate provisions on obligations to land fish and fishery products'.

Given that the Parliament has only very limited access to agreement protocols negotiated with third countries, could the Commission indicate the list of sustainable fisheries agreements that contain clear provisions on the landing obligation as stipulated in Article 15 of said Regulation?
