

**Question for written answer E-009666/2016  
to the Commission**  
Rule 130  
**Marian Harkin (ALDE)**

Subject:     Need to upgrade the Commission information service

Having regard to the many misrepresentations of the role of the EU, and its relationship with Member States and citizens, most recently highlighted in the Brexit referendum, has the Commission any plans to substantially upgrade the content and effectiveness of its information service?
