to the Commission**

Rule 130

José Blanco López (S&D)

Subject: Industry Digitisation Strategy

In its Communication entitled 'Digitising European Industry. Reaping the full benefits of a Digital Single Market' (COM(2016) 180 final), the Commission announced its intention to establish a 'governance framework' in the first half of 2016, together with the Member States and the industrial sector, 'to i) facilitate the coordination of EU and national initiatives on digitisation, ii) mobilise stakeholders and resources across the value chain, on actions towards the achievement of a Digital Single Market, building on existing multi-stakeholder dialogues, and iii) exchange best practices.' It also undertook to 'regularly report on the progress of the actions' and to 'develop by the end of 2016 and update on a yearly basis a catalogue of national and regional initiatives and priorities.'

What progress has been made on the commitments outlined?
