

**Question for written answer E-000388/2017
to the Commission**

Rule 130

Ivan Jakovčić (ALDE) and Jozo Radoš (ALDE)

Subject: Smoking in public spaces

Croatia is preparing legislation which would restrict the use of tobacco products in public spaces.

We are aware that different interpretations of the relevant EU directive exist. Given that, could the Commission say what Member States have adopted a similar practice?
