

**Question for written answer E-000479/2017
to the Commission**

Rule 130

Bart Staes (Verts/ALE)

Subject: ILO standards in EIB interventions

What concrete proposals has the Commission made to improve compliance with International Labour Organisation (ILO) standards in European Investment Bank (EIB) interventions, at the decision-making and project levels respectively?

Has the trade union movement, as a civil society stakeholder, been consulted? If yes, how have their proposals been taken into account or will they be in future?
