

**Question for written answer E-000625/2017  
to the Council**

Rule 130

**Kazimierz Michał Ujazdowski (ECR)**

Subject: Transparency of the Council's work

Transparency of the EU institutions is a prerequisite to ensuring credible policy-making and restoring people's trust in the actions of the EU. The Commission's proposal to put in place a new agreement on a mandatory Transparency Register (COM(2016) 627 final) creates an opportunity to make key EU institutions more transparent.

What steps will the Maltese Presidency take to make the Council's actions significantly more transparent?
