

**Question for written answer E-000765/2017
to the Commission**
Rule 130
Monica Macovei (ECR)

Subject: Structural customs funds

Good border infrastructure is necessary in order to detect irregularities in freight and passenger transport in the Member States.

'Customs 2020', which replaced 'Customs 2013', is a programme set up by the Commission which supports the modernisation of the customs union in order to strengthen the internal market through cooperation between participating countries. The financial framework for the implementation of the programme is EUR 522.943 million for the period 2014-2020.

The specific objectives are to support customs authorities in the protection of the financial and economic interests of the Union and the Member States.

What is the extent of funding intended for Romania in the field of airport infrastructure?
