

**Question for written answer E-001040/2017
to the Commission**

Rule 130

Viorica Dăncilă (S&D)

Subject: Implementation of the provisions of the Regulation (EU) No 1307/2013 regarding support schemes for redistributive payment and coupled support

What are the reasons for postponing the meeting scheduled on 8 February 2017 for the Commission's and Romania's representatives to clarify the remarks on implementation of the provisions of the Regulation (EU) No 1307/2013 regarding support schemes for redistributive payment and coupled support? Any delay in clarifying these aspects creates pressure not only for the farmers, who need to receive the money to which they are entitled, but especially on the implementation of the terms under the above-mentioned regulation.
