

**Question for written answer E-001631/2017  
to the Commission**

Rule 130

**José Blanco López (S&D)**

Subject:     Infringements for sanitation issues

In its answer to my question E-009459/2015, the Commission stated that infringement proceedings concerning '12 small agglomerations between 2 000 and 15 000 population equivalents located in Galicia' were ongoing, as was a preliminary investigation into seven agglomerations in Galicia.

What is the current state of play with regard to these cases?
