Subject: State of play as regards implementation of ADRION 2014-2020 programme

What is the current status of implementation of the INTERREG ADRION Cross-Border Cooperation Programme (Adriatic Ionian Programme 2014-2020)?

What is the state of play as regards publication of a competition, and what is the state of play as regards the implementation of support structures (EUSAIR), given the fact that it has been defined that 10% of the Programme's funds are to be set aside to support the management strategy and that coordination and support are to be assigned to the Slovenian Government through the Facility Point mechanism?
