

**Question for written answer E-001811/2017
to the Commission**

Rule 130

Ivan Jakovčić (ALDE) and Jozo Radoš (ALDE)

Subject: Working on Sundays

The Member States have different regulations for working on Sundays which incorporate various economic and social aspects. Frequent debates have taken place in Croatia on this subject. In addition to matters of family life, labour rights or tourism, these debates have also often centred on religious arguments.

What is the Commission's view on this issue, and are there solutions or recommendations to harmonise the issue of working on Sundays throughout the EU as a whole?
