Subject: Border crossings into Europe

On 2 January 2017, 1 100 African migrants tried to violently cross the Moroccan border and, consequently, 55 police officers and security personnel were injured.

This was not the first incident where migrants have tried to use violence to get to Europe.

1. How many violent attempts have there been to get into Europe in the past 5 years? Please list every incident. Please list them with the location.
2. How many security personnel/border guards have been injured during these crossing attempts?
3. How many criminal proceedings/trials/deportations have there been against people who have injured security personnel/border guards during illegal crossing attempts? How many convictions have there been to date?
