

**Question for written answer E-002652/2017  
to the Council**

Rule 130

**José Ignacio Salafranca Sánchez-Neyra (PPE)**

Subject:     Concept of justified carry-overs

In point 23 of its report, 'Summary of results from the Court's annual audits of the European Agencies and other bodies for the financial year 2015' (2016/C 449/01), the Court of Auditors States that 'it would be beneficial to elaborate an agreed upon concept of a "justified carry-over"'.

Does the Council plan to define the concept of a justified carry-over with a view to amending the information that is found in the agencies' SARs on carry-overs?
