Subject: Evaluation of EU agencies

The Commission has launched an evaluation of the following EU agencies: the European Foundation for the Improvement of Living and Working Conditions (Eurofound), the European Centre for the Development of Vocational Training (Cedefop), the European Training Foundation (ETF) and the European Agency for Safety and Health at Work (EU-OSHA), in which it also considers the possibility of those agencies no longer existing as separate EU agencies.

Is the Commission planning to launch similar evaluations of other EU agencies?

If so, when do you expect this to happen?

If not, can the Commission explain why not?
