

**Question for written answer E-003508/2017/rev.1
to the Commission**

Rule 130

Dominique Martin (ENF) and Jean-François Jalkh (ENF)

Subject: European Commission and mental health in China

According to the EU Delegation in China, the Commission's project 'Strengthening the role and capacity of Chinese non-state actors towards rightful inclusion in society of people with mental health conditions' was concluded in February 2017.

1. How many people received care and treatment as part of this project?
2. Why is the Commission providing funding for a mental health project in China?
