

**Question for written answer E-003796/2017
to the Commission**
Rule 130
Siôn Simon (S&D)

Subject: Land concentration

Even though farmland prices in the Member States vary, land concentration continues unabated and is thus having a negative impact on farmers. Will the Commission publish a clear and comprehensive set of criteria in order to make it clear to the Member States which land market regulation measures are permitted, taking into account the public interest and the four freedoms of the European Union?
