to the Commission**

Rule 130

**José Blanco López (S&D)**

Subject: Waste water treatment in Pontevedra

In its answer to my written question E-001629/2017, the Commission stated that on 30 September 2016 it had sent Spain 'a letter of formal notice under Article 260 of the TFEU' in connection with the 10 March 2016 judgment in Case C-38/15. The Commission indicated that the response received was 'undergoing an internal evaluation by the Commission'.

Over three months have passed since that communication, so could the Commission state whether it has assessed the response received from the Spanish Government and, specifically, give its opinion and its conclusions in respect of the Pontevedra-Marín-Poio-Bueu agglomeration?
