to the Commission**

Rule 130

**Dominique Martin (ENF)**

Subject: Control of mobility of those seeking to engage in regulated professions in France

Since 1997, the French authorities have rejected only 3 % of qualified applicants in Europe (EU/Norway/Switzerland) seeking to engage in a regulated profession in France<sup>1</sup>.

How many applications did the French authorities reject in 2016?

What were the three main reasons for his?

Which country issued the qualifications most frequently rejected by the French authorities in 2016?
