

**Question for written answer E-000499/2018
to the Commission**

Rule 130

José Blanco López (S&D)

Subject: Compensation for indirect costs

In its answer to question E-004538/2016, the Commission reported that it had approved eight compensation schemes for the indirect costs of the Emissions Trading System (ETS).

Given how much time has elapsed since then, can the Commission provide an update regarding the state aid measures approved and their amounts, with a breakdown per year and Member State?
