Subject: Transposition evaluation guidelines

In its response to question E-007140/2017, the Commission states that it is aware of the existence and content of Royal Decree No. 903/2017 and that it is evaluating legislation adopted in the context of the current infraction procedure relating to the transposition of Directives 2009/72/EC and 2009/73/EC. It is also assessing if the aforementioned decree constitutes an infraction of the powers of the national regulatory authority referred to in said directives.

Can the Commission specify when it plans to complete the evaluation?
