

**Question for written answer E-001592/2018
to the Commission**

Rule 130

Robert Jarosław Iwaszkiewicz (EFDD)

Subject: EU-China trade

1. Is the Commission monitoring China's dumping practices?
2. Is China suffering the consequences of artificially keeping the value of the yuan low against the euro and other European currencies?
3. Does the Commission consider China's monetary policy to be part of a currency war with Europe?
