

**Question for written answer E-004392/2018
to the Commission**

Rule 130

José Blanco López (S&D)

Subject: Connecting Europe Facility

In its reply to my earlier question E-005179/2017, the Commission said that five projects in the Autonomous Community of Galicia had been selected for financing under the Connecting Europe Facility (transport sector). Can the Commission say whether any new projects from this Autonomous Community have been selected in subsequent calls?
