

**Question for written answer E-005074/2018
to the Commission**

Rule 130

José Blanco López (S&D)

Subject: Mountain stock farming

In its answer to question E-009036/2014 from this Member, the Commission noted that the managing authority had expressed 'its intention to introduce a modification to the RDP regarding an increase in the budget allocated to Measure 211 and a revision of the objectives with an increase in the number of farmers benefiting from said payments and the number of hectares covered by the measure'.

Could the Commission confirm whether any modification has been introduced and on what date?

Could the Commission provide information about the allocated budget, the number of farmers benefiting therefrom and the number of hectares covered?
