

**Question for written answer E-005075/2018  
to the Commission**

Rule 130

**José Blanco López (S&D)**

Subject: CAP aid

In your response to question E-003940/2015 posed by this Member, the Commission became aware of allegations of possible illegal requests for direct aid and announced that it would examine these allegations and, where appropriate, would refer them to the European Anti-Fraud Office (OLAF).

In view of the time that has elapsed, I would like to know the outcome of these examinations and the actions carried out by the Commission in relation to this case.
