Subject: EU Funding

Further to previous questions, and in the interests of monitoring the level of implementation of EU funding in my Community,

Can the Commission state how much EU funding has been allocated to each of the autonomous communities and cities under the current programming period and their level of implementation? Can it also provide details on the amounts granted under the cohesion policy (for less developed regions, transition regions, more developed regions, outermost regions, European territorial cooperation, the Youth Employment Initiative, the European Regional Development Fund, the Fund for European Aid to the Most Deprived, and any adjustments made), and the common agricultural policy (direct payments and the European Agricultural Fund for Rural Development), and from the European Maritime and Fisheries Fund, and European Social Fund?
