

**Question for written answer E-001739/2019
to the Commission**

Rule 130

Francisco José Millán Mon (PPE)

Subject: European transnational campuses

According to my information, 28 February was the deadline for submitting projects for the 'European Universities Initiative', a pilot programme backed by the November 2017 Gothenburg Summit.

- 1) Can the Commission say how many projects/applications have been put forward for this programme to establish European transnational campuses?
- 2) Which universities are involved in the individual applications?
