AMENDMENTS

The Committee on the Environment, Public Health and Food Safety calls on the Committee on Regional Development, as the committee responsible, to take into account the following amendments:

Amendment 1

Proposal for a regulation

Recital 3

Text proposed by the Commission

(3) Any reallocation from the performance reserve should be subject to the fulfilment of commitments with respect to implementing reforms identified in the European Semester process. Priority should be given for the implementation of structural reforms which are expected to contribute most to the resilience of domestic economies and have positive spill-over effects on other Member States. These include reforms in product and labour markets, tax reforms, the development of capital markets, reforms to improve the business environment as well as investment in human capital and public administration reforms.
