– having regard to the EU Coordinated Control Plan on online sales of dogs and cats,

Or. en

Amendment 14
Martin Hojsík, Sylwia Spurek, Anja Hazekamp, Alexandra Louise Rosenfield Phillips, Eleonora Evi, Jadwiga Wiśniewska

Draft motion for a resolution
Recital A

Draft motion for a resolution

Amendment
A. whereas a significant number of companion animals are illegally traded across Member States through the deliberate misuse of Regulation (EU) No 576/2013, which is intended for the non-commercial movements of pet animals, when they should be transported under Council Directive 92/65/EEC;

A. whereas non-governmental organisations, law enforcement services, competent authorities and veterinarians have shown evidence of the growing number of companion animals that are illegally traded across Member States, often by organised crime networks, through the widespread misuse of Regulation (EU) No 576/2013, which is intended for the non-commercial movements of pet animals, when they should be transported under Council Directive 92/65/EEC, through evasion of controls and document falsification;

Or. en

Amendment 15
Annika Bruna, Catherine Griset, Aurelia Beigneux
Draft motion for a resolution
Recital A

A. whereas a significant number of companion animals are illegally traded across Member States through the deliberate misuse of Regulation (EU) No 576/2013, which is intended for the non-commercial movements of pet animals, when they should be transported under Council Directive 92/65/EEC;

whereas this trafficking is facilitated by the disappearance of national borders;

Amendment

A. whereas a significant number of companion animals are illegally traded across Member States through the deliberate misuse of Regulation (EU) No 576/2013, which is intended for the non-commercial movements of pet animals, when they should be transported under Council Directive 92/65/EEC;

whereas

Amendment 16
Radan Kanev

Draft motion for a resolution
Recital B

B. whereas it is estimated that the illegal trade in companion animals within the EU can generate very high profits for the actors involved, including illegal breeders;

Draft motion for a resolution

B. whereas it is estimated that the illegal trade in companion animals within the EU can generate very high profits for the actors involved, including illegal breeders, thus impacting unfavourably the profitability of the legal breeding sector;

Amendment

B. whereas it is estimated that the illegal trade in companion animals within

Amendment 17
Jadwiga Wiśniewska

Draft motion for a resolution
Recital B

B. whereas it is estimated that the illegal trade in companion animals within

B. whereas it is estimated that the illegal trade in companion animals within
the EU can generate very high profits for the actors involved, including illegal breeders;

the EU can generate very high profits with minimal risk of detection for the actors involved, including illegal breeders;

Amendment 18
Sylwia Spurek, Martin Hojsík, Sara Cerdas, Anja Hazekamp, Mohammed Chahim, Eleonora Evi, Rory Palmer, Jytte Guteland

Draft motion for a resolution
Recital B a (new)

Draft motion for a resolution

Amendment

Ba. whereas many adverts offering animals for sale online come from illegal sources;

Or. en

Amendment 19
Stanislav Polčák, Sylwia Spurek

Draft motion for a resolution
Recital C

Draft motion for a resolution

Amendment

C. whereas differences between Member States in breeders’ standards of animal welfare have led to big differences in prices of companion animals on the internal market, which is exploited by illegal traders;

C. whereas no common rules exist at the EU level concerning the breeding of companion animals and differences between Member States in breeders’ standards of animal welfare have led to big differences in prices of companion animals on the internal market, which is exploited by illegal traders;

Or. en

Amendment 20
Tudor Ciuhodaru
Draft motion for a resolution
Recital C

C. whereas differences between Member States in breeders’ standards of animal welfare have led to big differences in prices of companion animals on the internal market, which is exploited by illegal traders;

Amendment

C. whereas legislative differences between Member States in breeders’ standards of animal welfare have led to big differences in prices of companion animals that may be sold on the internal market and are exploited by illegal traders;

Or. ro

Draft motion for a resolution
Recital C a (new)

Amendment

Ca. whereas illegal traffickers and sellers most often act with complete impunity as they know very well that the majority of consumers who have purchased a companion animal in a poor state of health will not take legal action;

Or. fr

Amendment 22
Jadwiga Wiśniewska

Draft motion for a resolution
Recital D

D. whereas the illegal breeding of cats and dogs often happens in terrible conditions; whereas puppies are often separated from their mothers much too early and subjected to long journeys across the EU in cramped and filthy conditions

Amendment

D. whereas the illegal breeding of cats and dogs often happens in terrible conditions; whereas these new-born animals are often separated from their mothers much too early and suffer from stress, malnutrition, dehydration and an
with no food, water, or air-conditioning, and no breaks;

increased risk of hypothermia while being subjected to long journeys across the EU in cramped and filthy conditions with no food, water, or air-conditioning, and no breaks; whereas young puppies and kittens commonly arrive in the destination country unweaned and devoid of basic socialisation skills;

Or. en

Amendment 23
Martin Hojsík, Sylwia Spurek, Anja Hazekamp, Alexandra Louise Rosenfield Phillips, Eleonora Evi

Draft motion for a resolution
Recital D

Draft motion for a resolution

Amendment

D. whereas the illegal breeding of cats and dogs often happens in terrible conditions; whereas puppies are often separated from their mothers much too early and subjected to long journeys across the EU in cramped and filthy conditions with no food, water, or air-conditioning, and no breaks;

D. whereas the illegal breeding of cats and dogs is often kept as cost-efficient as possible and happens in terrible conditions; whereas puppies are often separated from their mothers much too early, are poorly socialised, prone to disease and subjected to long journeys across the EU in cramped and filthy conditions with no food, water, or air-conditioning, and no breaks;

Or. en

Amendment 24
Annika Bruna, Aurelia Beigneux, Catherine Griset

Draft motion for a resolution
Recital D

Draft motion for a resolution

Amendment

D. whereas the illegal breeding of cats and dogs often happens in terrible conditions; whereas puppies are often separated from their mothers much too early and subjected to long journeys across

D. whereas the illegal breeding of cats and dogs often happens in terrible conditions; whereas puppies are often separated from their mothers much too early and subjected to long journeys across
the EU in cramped and filthy conditions with no food, water, or air-conditioning, and no breaks; whereas these conditions lead to the death of many of them;

Amendment 25
Annika Bruna, Catherine Griset, Aurelia Beigneux

Draft motion for a resolution
Recital D a (new)

Draft motion for a resolution

Da. whereas it is highly traumatic for young companion animals, especially puppies, to be separated from their mothers too early; whereas such trauma leads to the animals having behavioural disorders, to the detriment of the consumer, and whereas these disorders are an aggravating factor in the risk of abandonment;

Or. fr

Amendment 26
Martin Hojsík, Sylwia Spurek, Anja Hazekamp, Alexandra Louise Rosenfield Phillips

Draft motion for a resolution
Recital E

Draft motion for a resolution

E. whereas pet passports are often counterfeited with veterinarians involved in this illegal practice; whereas, despite improvements, major concerns still remain in terms of pet passports, such as the age verification for individual animals and the possibility to change passports; whereas pet passports are often counterfeited with veterinarians involved in this illegal practice, making controls and investigations more complex⁴a;
Draft motion for a resolution
Recital E

Draft motion for a resolution

E. whereas pet passports are often counterfeited with veterinarians involved in this illegal practice;

Amendment

E. whereas pet passports are often counterfeited with veterinarians involved in this illegal practice; whereas in some Member States the authorities are turning a blind eye to this;

Or. fr

Amendment 28
Annika Bruna, Catherine Griset, Aurelia Beigneux

Draft motion for a resolution
Recital E

Draft motion for a resolution

E. whereas pet passports are often counterfeited with veterinarians involved in this illegal practice;

Amendment

E. whereas pet passports are too easy to forge and are therefore often counterfeited, with veterinarians involved in this illegal practice;

Or. fr

Amendment 29
Tudor Ciuhodaru
Draft motion for a resolution
Recital E

Draft motion for a resolution

E. whereas pet passports are often counterfeited with veterinarians involved in this illegal practice;

Amendment

E. whereas a large number of counterfeit pet passports are registered, with veterinarians often involved in this illegal practice;

Or. ro

Amendment 30
Jadwiga Wiśniewska

Draft motion for a resolution
Recital E

Draft motion for a resolution

E. whereas pet passports are often counterfeited with veterinarians involved in this illegal practice;

Amendment

E. whereas pet passports are often counterfeited with veterinarians, working in collusion with traffickers, involved in this illegal practice;

Or. en

Amendment 31
Annika Bruna, Catherine Griset, Aurelia Beigneux

Draft motion for a resolution
Recital E

Draft motion for a resolution

E. whereas pet passports are often counterfeited with veterinarians involved in this illegal practice;

Amendment

E. whereas pet passports are often counterfeited, with veterinarians and national public services involved in this illegal practice;

Or. fr

Amendment 32
Draft motion for a resolution
Recital E

Draft motion for a resolution

E. whereas pet passports are often counterfeited with veterinarians involved in this illegal practice;

Amendment

E. whereas pet passports are often counterfeited with veterinarians possibly also involved in this illegal practice;

Or. it

Amendment 33
Annika Bruna, Catherine Griset, Aurelia Beigneux

Draft motion for a resolution
Recital F

Draft motion for a resolution

F. whereas illegally bred companion animals are very often not vaccinated; whereas there are various zoonotic risks associated with the illegal trafficking of companion animals, including the introduction of rabies from endemic parts of Europe into countries that are rabies-free, as well as the spreading of parasites such as Echinococcus multilocularis and others;

Amendment

F. whereas illegally bred companion animals are very often not vaccinated; whereas there are various zoonotic risks associated with the illegal trafficking of companion animals, including the introduction of rabies from endemic parts of Europe into countries that are rabies-free, as well as the spreading of parasites such as Echinococcus multilocularis and others, and diseases such as ringworm, mange and Leishmaniasis;

Amendment 34
Tudor Ciuhodaru

Draft motion for a resolution
Recital F

Draft motion for a resolution

F. whereas illegally bred companion animals are very often not vaccinated; whereas there are various zoonotic risks associated with the illegal trafficking of companion animals, including the introduction of rabies from endemic parts of Europe into countries that are rabies-free, as well as the spreading of parasites such as Echinococcus multilocularis and others;

Amendment

F. whereas illegally bred animals are very often not vaccinated or have not been duly treated for other diseases; whereas there are various zoonotic risks associated with the illegal trafficking of companion animals, including the introduction of rabies from endemic parts of Europe into countries that are rabies-free, as well as the spreading of parasites such as Echinococcus multilocularis and others;

Or. ro

Amendment 35
Jadwiga Wiśniewska
Draft motion for a resolution
Recital F

Draft motion for a resolution

F. whereas illegally bred companion animals are very often not vaccinated; whereas there are various zoonotic risks associated with the illegal trafficking of companion animals, including the introduction of rabies from endemic parts of Europe into countries that are rabies-free, as well as the spreading of parasites such as Echinococcus multilocularis and others;\(^4\)

Amendment

F. whereas illegally bred companion animals are often partially or completely unvaccinated; whereas there are various zoonotic risks associated with the illegal trafficking of companion animals, including the introduction of rabies from endemic parts of Europe into countries that are rabies-free, as well as parasites such as Echinococcus multilocularis, which is easily spread and difficult to control;\(^4\)

Amendment 36
Jadwiga Wiśniewska

Draft motion for a resolution
Recital F a (new)

Draft motion for a resolution

Fa. whereas the Animal Health Law (Regulation (EU) 2016/429), which will apply from 21 April 2021, will facilitate
greater transparency of the online trade in cats and dogs, and improve animal health and welfare; whereas Regulation (EU) 2016/429 strictly obliges all sellers, breeders, transporters and assembly centres of dogs and cats to register their establishments with the relevant national competent authority;

Amendment 37
Annika Bruna, Catherine Griset, Aurelia Beigneux

Draft motion for a resolution
Recital H

H. whereas a very common method used to purchase companion animals in the EU is now through online classified adverts, followed closely by social media\(^5\); whereas consumers who purchase companion animals via online advertisements have little protection of their rights, whether at national or EU level; whereas unaccounted numbers of illegally bred companion animals are sold on markets in Member States or directly out of cars along the internal borders of the EU;

Or. fr
Amendment 38
Stanislav Polčák, Sylwia Spurek, Anja Hazekamp

Draft motion for a resolution
Recital H

Draft motion for a resolution

H. whereas a very common method used to purchase companion animals in the EU is now through online classified adverts, followed closely by social media; whereas consumers who purchase companion animals via online advertisements have little protection of their rights, whether at national or EU level; whereas unaccounted numbers of illegally bred companion animals are sold on markets in Member States or directly out of cars along the internal borders of the EU;

_________________

Amendment

H. whereas a very common method used to purchase companion animals in the EU is now through online classified adverts, followed closely by social media; whereas consumers who purchase companion animals via online advertisements have little protection of their rights, whether at national or EU level; whereas high numbers of illegally bred companion animals are sold on markets in Member States or directly out of cars along the internal borders of the EU;

Sylwia Spurek, Martin Hojsík, Mohammed Chahim, Eleonora Evi, Rory Palmer, Jytte Guteland

Draft motion for a resolution
Recital Ha (new)

Draft motion for a resolution

Ha. whereas 65% of the respondents do not think the Internet is safe for its users and 90% agree that online hosting services should immediately remove content flagged as illegal by public or law enforcement authorities; whereas six in
ten Internet users use an online social network at least once a week and most Internet users also use online market places at least occasionally, with 30% using them at least once a week; whereas 69% of internet users in the EU buys online with numbers increasing on an annual basis also when it comes to animals\textsuperscript{1a};

\textsuperscript{1a} Flash Eurobarometer 464/2018 Report Illegal content online: http://ec.europa.eu/commissionário/publicopinion/index.cfm/ResultDoc/download/DocumentKy/83669

Amendment 40
Anja Hazekamp, Eleonora Evi, Sylwia Spurek

Draft motion for a resolution
Recital H a (new)

\textit{Draft motion for a resolution} \hspace{1cm} \textit{Amendment}

\textit{Ha.} whereas mistreatment of companion animals, including animals bred, kept and sold for the purpose of becoming pets in households, companion animals used for entertainment, sport and work like greyhounds and galgos, and stray animals remains a huge concern for many citizens; whereas (better) identification and registration of pets can be a useful tool in the battle against animal abuse;

Or. en

Amendment 41
Annika Bruna, Catherine Griset, Aurelia Beigneux

Draft motion for a resolution
Recital H a (new)

Draft motion for a resolution

Amendment

Ha. whereas in the destination countries, individuals specialise in the purchase of young animals, especially puppies, reared at low cost abroad, with the sole aim of reselling them for a profit; whereas such practices are harmful to professionals in the sector, to animals and to consumers;

Or. fr

Amendment 42
Martin Hojsík, Sylwia Spurek, Anja Hazekamp, Alexandra Louise Rosenfield Phillips, Eleonora Evi

Draft motion for a resolution
Recital H a (new)

Draft motion for a resolution

Amendment

Ha. whereas more than 70% of the new diseases that have emerged in humans over recent decades are of animal origin, and animals commonly kept as pets are carrier hosts of 41 zoonoses, including rabies\(^a\);

\(^a\) Michael J. Day et al (2012). Surveillance of Zoonotic Infectious Disease Transmitted by Small Companion Animals: https://wwwnc.cdc.gov/eid/article/18/12/12-0664_article

Amendment 46
Martin Hojsík, Sylwia Spurek, Alexandra Louise Rosenfield Phillips, Jadwiga Wiśniewska

Draft motion for a resolution
Recital H b (new)

Draft motion for a resolution

Hb. whereas some classified ads websites are starting to adopt, on a voluntary basis, stricter rules to verify the identity of online sellers and improve the welfare of the animals;

Or. en

Amendment 47
Martin Hojsík, Sylwia Spurek, Alexandra Louise Rosenfield Phillips, Anja Hazekamp, Eleonora Evi, Jadwiga Wiśniewska

Draft motion for a resolution
Recital H c (new)
Draft motion for a resolution

Hc. whereas the majority of Member States already have a certain level of requirements for the identification and registration of cats and dogs; whereas identification requirements for cats, dogs and ferrets are not harmonised resulting in misuse of country codes, duplicate and incorrect codes among others; whereas most registration databases are not interconnected and therefore limit traceability in the EU;

Amendment 48
Annika Bruna, Catherine Griset, Aurelia Beigneux

Draft motion for a resolution
Recital H c (new)

Draft motion for a resolution

Hc. whereas the number of thefts of companion animals, especially those with a high market value, is continuing to rise, and whereas this is fuelling the trafficking of companion animals to be re-sold or used for breeding purposes;

Amendment 49
Annika Bruna, Catherine Griset, Aurelia Beigneux
Draft motion for a resolution
Recital H d (new)

Draft motion for a resolution

Amendment

Hd. having regard to the urgency and severity of the situation of animals affected by these forms of trafficking;

Or. fr

Amendment 50
Martin Hojsík, Sylwia Spurek, Anja Hazekamp, Alexandra Louise Rosenfield Phillips, Eleonora Evi

Draft motion for a resolution
Paragraph -1 (new)

Draft motion for a resolution

Amendment

-1. Stresses that the illegal trade in dogs and cats not only has catastrophic repercussions in terms of animal welfare but also poses risks in terms of public health and consumer protection;

Or. en

Amendment 51
Marco Dreosto

Draft motion for a resolution
Paragraph 1

Draft motion for a resolution

Amendment

1. Emphasises that the identification and registration of cats and dogs is a crucial and necessary first step in the fight against illegal trade, and that registration and identification are key conditions for control, enforcement, and traceability,
requiring owners to notify the authorities of every litter using an online data sheet.
giving details of the breeder and of the animals born, indicating their breed, sex and microchip number, before their release or sale;

Amendment 52
Annika Bruna, Catherine Griset, Aurelia Beigneux

Draft motion for a resolution
Paragraph 1

Draft motion for a resolution

1. Emphasises that the identification and registration of cats and dogs is a crucial and necessary first step in the fight against illegal trade, and that registration and identification are key conditions for control, enforcement, and traceability;

Amendment

1. Emphasises that the identification and registration of companion animals, especially cats and dogs, is a crucial and necessary first step in the fight against illegal trade, and that registration and identification are key conditions for control, enforcement, and traceability;

Or. fr

Amendment 53
Stanislav Polčák, Sylwia Spurek

Draft motion for a resolution
Paragraph 1

Draft motion for a resolution

1. Emphasises that the identification and registration of cats and dogs is a crucial and necessary first step in the fight against illegal trade, and that registration and identification are key conditions for control, enforcement, and traceability;

Amendment

1. Emphasises that the EU-wide harmonised system of mandatory identification and registration of cats and dogs is a crucial and necessary first step in the fight against illegal trade, and that registration and identification are key conditions for control, enforcement, and traceability;

Or. en
Amendment 54
Sirpa Pietikäinen

Draft motion for a resolution
Paragraph 1

Draft motion for a resolution

1. Emphasises that the identification and registration of cats and dogs is a crucial and necessary first step in the fight against illegal trade, and that registration and identification are key conditions for control, enforcement, and traceability;

Amendment

1. Emphasises that mandatory identification and registration of cats and dogs, through mandatory microchips, is a crucial and necessary first step in the fight against illegal trade, and that registration and identification are key conditions for control, enforcement, and traceability;

Or. en

Amendment 55
Frédérique Ries

Draft motion for a resolution
Paragraph 1 a (new)

Draft motion for a resolution

1a. Considers it essential for ensuring the effective traceability of companion animals that they are microchipped by a veterinarian and recorded in a national animal identification and registration file; considers it vitally important for identification and registration files to contain the registration numbers of everyone who played a part in the life of the animal, including breeders and sellers as well as veterinarians, transporters and the owner;

Amendment

1a. Considers it essential for ensuring the effective traceability of companion animals that they are microchipped by a veterinarian and recorded in a national animal identification and registration file; considers it vitally important for identification and registration files to contain the registration numbers of everyone who played a part in the life of the animal, including breeders and sellers as well as veterinarians, transporters and the owner;

Or. fr

Amendment 56
Martín Hojsík, Sylwia Spurek, Anja Hazekamp, Alexandra Louise Rosenfield Phillips, Eleonora Evi
Draft motion for a resolution  
Paragraph 2

2. Urges the European Commission to come forward, via a delegated act under the Animal Health Law, with a proposal for detailed, compatible systems for the means and methods of identification and registration of cats and dogs in databases in the Member States, which should be interconnected;

Amendment

2. Urges the European Commission to fully use its delegated powers under the Articles 109 and 118 of the Animal Health Law and come forward with a proposal for detailed, compatible systems for the means and methods of identification and registration of cats and dogs setting minimum threshold of required information for individual animal identification and establishing rules for the exchange of electronic data between databases in the Member States, which should be interconnected by the end of this legislative term;

Or. en

Amendment 57  
Jadwiga Wiśniewska

Draft motion for a resolution  
Paragraph 2

2. Urges the European Commission to come forward, via a delegated act under the Animal Health Law, with a proposal for detailed, compatible systems for the means and methods of identification and registration of cats and dogs in databases in the Member States, which should be interconnected;

Amendment

2. Urges the European Commission to use the delegated powers mandated in Article 109(2) and Article 118 of Regulation (EU) 2016/429 to improve traceability, accountability and animal welfare by coming forward with a proposal for detailed, compatible and readily interconnectable systems for the identification and registration of cats and dogs that set minimum information requirements for individual companion animals, and establish rules on the exchange of electronic data between Member States;

Or. en
Amendment 58
Stanislav Polčák, Sylwia Spurek

Draft motion for a resolution
Paragraph 2

2. Urges the European Commission to come forward, via a delegated act under the Animal Health Law, with a proposal for detailed, compatible systems for the means and methods of identification and registration of cats and dogs in databases in the Member States, which should be interconnected;

Amendment
2. Urges the European Commission to come forward, via a delegated act under the Animal Health Law’s Articles 109 and 118, with a proposal for detailed, EU-wide compatible systems for the means and methods of identification and registration of cats and dogs in databases in the Member States, which should be interconnected;

Or. en

Amendment 59
Tudor Ciuhodaru

Draft motion for a resolution
Paragraph 3

3. Calls for a clear linkage between the EU Pet Passport and Pet Microchip Registration to ensure that the origin of the companion animal remains clear even if the Pet Passport is replaced;

Amendment
3. Calls for a clear linkage between the EU Pet Passport and Pet Microchip Registration to ensure that the origin of the companion animal remains clear even if the Pet Passport is replaced, through the systematic entry in passports of specific bar codes that can be easily read by those responsible;

Or. ro

Amendment 60
Annika Bruna, Catherine Griset, Aurelia Beigneux

Draft motion for a resolution
Paragraph 3

Draft motion for a resolution

3. Calls for a clear linkage between the EU Pet Passport and Pet Microchip Registration to ensure that the origin of the companion animal remains clear \textit{even if} the Pet Passport is replaced;

Amendment

3. Calls for a clear linkage between the EU Pet Passport and Pet Microchip Registration to ensure that the origin of the companion animal remains clear; \textit{calls for the animal’s origin to be shown on} the Pet Passport cover, \textit{even if the} passport is replaced;

Or. fr

Amendment 61

Anja Hazekamp, Martin Hojsík, Eleonora Evi, Sylwia Spurek

Draft motion for a resolution

Paragraph 3 a (new)

Draft motion for a resolution

3a. \textit{Calls on the Member States to introduce policies with the aim of marking and registering all cats and dogs by default in the battle against animal abuse;}

Amendment

3a. \textit{Stresses that information collected for the identification of companion animals includes personal data and should be protected in full accordance with EU privacy- and data protection rules; believes that such personal data}
