

ORAL QUESTION H-0978/07
for Question Time at the part-session in January 2008
pursuant to Rule 109 of the Rules of Procedure
by Jim Higgins
to the Commission

Subject: Online airline ticket sales

Could the Commission state why instead of publishing the list of websites found to be in breach of Community legislation regarding the accurate advertising of websites it allowed their names to be covered up, indicating right of reply, to the detriment of the consumer who will unwittingly use a site that they could have avoided if the Commission had taken the step to publish the names in mid November?
