**Citation 15 a (new)**

*Motion for a resolution*

*Amendment*

***- having regard to the Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS) and the Doha Declaration of 14th November 2001 on the TRIPS Agreement and public health;***

Or. en

**Amendment 7**  
**Emma McClarkin**

**Motion for a resolution**  
**Recital A**

*Motion for a resolution*

*Amendment*

A. whereas competitiveness of the EU has increasingly ***been*** based on creativity and innovation, and whereas ‘smart growth’ – developing an economy based on knowledge and innovation – is one of the three priorities of the Europe 2020 strategy;

A. whereas competitiveness of the EU has, ***and*** increasingly ***will be***, based on creativity and innovation, and whereas ‘smart growth’ – developing an economy based on knowledge and innovation – is one of the three priorities of the Europe 2020 strategy;

Or. en

**Amendment 8**  
**Marine Le Pen**

**Motion for a resolution**  
**Recital A**

*Motion for a resolution*

A. whereas competitiveness of the *EU* has increasingly been based on *creativity* and innovation, *and whereas ‘smart growth’ – developing an economy based on knowledge and innovation – is one of the three priorities of the Europe 2020 strategy*;

*Amendment*

A. whereas competitiveness of the *economies of the Member States* has increasingly been based on *research* and innovation;

Or. fr

**Amendment 9**  
**Marielle de Sarnez**

**Motion for a resolution**  
**Recital A a (new)**

*Motion for a resolution*

*Aa. whereas intellectual property rights contribute to the development of innovation and creativity, whereas their protection is a key issue for the competitiveness of Europe and, accordingly, the EU needs a more ambitious strategy concerning the protection of intellectual property rights vis-à-vis its trading partners*;

*Amendment*

Or. fr

**Amendment 10**  
**Emma McClarkin**

**Motion for a resolution**  
**Recital B**

*Motion for a resolution*

B. whereas it is essential to promote the strengthening of links between education, business and research and innovation;

*Amendment*

B. whereas it is essential to promote the strengthening of links between education, business and research and innovation *and*

whereas procedures for combating intellectual property rights (IPR) infringements are costly and time-consuming, particularly for SMEs;

*intellectual property*; whereas procedures for combating intellectual property rights (IPR) infringements are costly and time-consuming, particularly for SMEs *and individual right holders*;

Or. en

**Amendment 11**  
**Alessia Maria Mosca**

**Motion for a resolution**  
**Recital B**

*Motion for a resolution*

B. whereas it is essential to promote the strengthening of links between education, business and research and innovation; whereas procedures for combating intellectual property rights (IPR) infringements are costly and time-consuming, particularly for SMEs;

*Amendment*

B. whereas it is essential to promote the strengthening of links between education, business and research and innovation; whereas procedures for combating intellectual property rights (IPR) infringements are costly and time-consuming, particularly for SMEs, *including individual rightholders*;

Or. en

**Amendment 12**  
**Daniel Caspary**

**Motion for a resolution**  
**Recital B**

*Motion for a resolution*

B. whereas it is essential to promote the strengthening of links between education, business and research and innovation; whereas procedures for combating intellectual property rights (IPR) infringements are costly and time-consuming, particularly for SMEs;

*Amendment*

B. whereas it is essential to promote the strengthening of links between education, business and research and innovation; whereas procedures for combating intellectual property rights (IPR) infringements are costly and time-consuming, particularly for SMEs *and natural persons holding rights*;

**Amendment 13**  
**Emma McClarkin**

**Motion for a resolution**  
**Recital C**

*Motion for a resolution*

C. whereas the EU and its Member States, as members of the World Trade Organisation, are bound by the Agreement on Trade Related Intellectual Property Rights (TRIPS) and thereby committed to the adoption and implementation of effective measures against all infringements of IPR;

*Amendment*

C. whereas the EU and its Member States, as members of the World Trade Organisation, are bound by the Agreement on Trade Related Intellectual Property Rights (TRIPS) and thereby committed to the adoption and implementation of *minimum standards of* effective measures against all infringements of IPR;

**Amendment 14**  
**Marine Le Pen**

**Motion for a resolution**  
**Recital C**

*Motion for a resolution*

C. whereas the *EU and its* Member States, as members of the World Trade Organisation, are bound by the Agreement on Trade Related Intellectual Property Rights (TRIPS) and thereby committed to the adoption and implementation of effective measures against all infringements of IPR;

*Amendment*

C. whereas the Member States, as members of the World Trade Organisation, are bound by the Agreement on Trade Related Intellectual Property Rights (TRIPS) and thereby committed to the adoption and implementation of effective measures against all infringements of IPR;

**Amendment 15**  
**Emma McClarkin**

**Motion for a resolution**  
**Recital D**

*Motion for a resolution*

D. whereas the IPR debate should be based on qualified reflection of past experiences, while keeping consistency between internal and external aspects, distinguishing between physical and digital environments, taking into consideration concerns of all stakeholders, including SMEs and consumer organisations and aiming at ensuring *a fair balance between the interests of rights' holders and those of end users*;

*Amendment*

D. whereas the IPR debate should be based on qualified reflection of past experiences *as well as future technological trends*, while keeping consistency between internal and external aspects *where appropriate*, distinguishing between physical and digital environments, taking into consideration concerns of all stakeholders, including SMEs and consumer organisations and aiming at ensuring *full transparency of interests while striving to achieve a fair balance between them*;

Or. en

**Amendment 16**  
**Alessia Maria Mosca**

**Motion for a resolution**  
**Recital D**

*Motion for a resolution*

D. whereas the IPR debate should be based on qualified reflection of past experiences, while keeping consistency between internal and external aspects, distinguishing between physical and digital environments, taking into consideration concerns of all stakeholders, including SMEs and consumer organisations and aiming at ensuring *a fair balance between the interests of rights' holders and those of end users*;

*Amendment*

D. whereas the IPR debate should be based on qualified reflection of past experiences, while keeping consistency between internal and external aspects, distinguishing between physical and digital environments, taking into consideration concerns of all stakeholders, including SMEs and consumer organisations and aiming at ensuring *full transparency of interests and adequate legitimacy when striving to achieve a fair balance amongst all interests at stake*;

Or. en

**Amendment 17**  
**Daniel Caspary**

**Motion for a resolution**  
**Recital D**

*Motion for a resolution*

D. whereas the IPR debate should be based on qualified reflection of past experiences, while keeping consistency between internal and external aspects, distinguishing between physical and digital environments, taking into consideration concerns of all stakeholders, including SMEs and consumer organisations and aiming at ensuring a fair balance between *the interests of rights' holders and those of end users*;

*Amendment*

D. whereas the IPR debate should be based on qualified reflection of past experiences, while keeping consistency between internal and external aspects, *if required*, distinguishing between physical and digital environments, taking into consideration concerns of all stakeholders, including SMEs and consumer organisations, *with the necessary extensive transparency*, and aiming at ensuring a fair balance between *all* interests;

Or. de

**Amendment 18**  
**Santiago Fisas Ayxelà**

**Motion for a resolution**  
**Recital E**

*Motion for a resolution*

E. whereas counterfeiting is no longer confined to luxury products but also includes commonly used goods, such as toys, medicines, cosmetics and foodstuffs;

*Amendment*

E. whereas counterfeiting is no longer confined to luxury products but also includes commonly used goods, such as toys, medicines, cosmetics and foodstuffs *which, if counterfeited, can cause injuries or pose serious health risks for consumers*;

Or. en

**Amendment 19**  
**Marine Le Pen**

**Motion for a resolution**  
**Recital E a (new)**

*Motion for a resolution*

*Amendment*

*Ea. whereas the fight against counterfeiting is an effective way to protect the specific features and cultural diversity of the Member States and third countries;*

Or. fr

**Amendment 20**  
**Marine Le Pen**

**Motion for a resolution**  
**Recital F a (new)**

*Motion for a resolution*

*Amendment*

*Fa. whereas the Member States are the most effective level at which to implement customs controls to curb fraud and combat counterfeiting networks;*

Or. fr

**Amendment 21**  
**Yannick Jadot**

**Motion for a resolution**  
**Recital G**

*Motion for a resolution*

*Amendment*

G. whereas 72 % of all detentions in 2013 was related to small consignments; whereas medicines represented for the fourth consecutive year the top category, accounting for 19 % of these detentions and 10 % of all detentions;

G. whereas 72 % of all detentions in 2013 was related to small consignments; whereas *life-style* medicines represented for the fourth consecutive year the top category, accounting for 19 % of these detentions and 10 % of all detentions;

Or. en

**Amendment 22**  
**Emma McClarkin**

**Motion for a resolution**  
**Recital H**

*Motion for a resolution*

H. whereas it is necessary to combat IPR infringements in order to lower the risks they pose to the health and safety of consumers and to the environment and in **order** to avoid economic and social consequences for EU businesses and creators; whereas the fight against organised crime profiting from trade in counterfeit and pirated goods requires specific attention;

*Amendment*

H. whereas it is necessary to combat IPR infringements in order to lower the risks they pose to the health and safety of consumers and to the environment, **protect value creation in the EU** and in **third countries as well as** to avoid economic and social consequences for EU businesses and creators; whereas the fight against organised crime profiting from trade in counterfeit and pirated goods requires specific attention;

Or. en

**Amendment 23**  
**Alessia Maria Mosca**

**Motion for a resolution**  
**Recital H**

*Motion for a resolution*

H. whereas it is necessary to combat IPR infringements in order to lower the risks they pose to the health and safety of consumers and to the environment and in order to avoid economic and social consequences for EU businesses and creators; whereas the fight against organised crime profiting from trade in counterfeit and pirated goods requires specific attention;

*Amendment*

H. whereas it is necessary to combat IPR infringements in order to lower the risks they pose to the health and safety of consumers and to the environment and in order to avoid economic and social consequences for EU businesses and creators **as well as risks to cultural diversity in Europe and in third countries**; whereas the fight against organised crime profiting from trade in counterfeit and pirated goods requires specific attention;

Or. en

**Amendment 24**  
**Yannick Jadot**

**Motion for a resolution**  
**Recital H**

*Motion for a resolution*

H. whereas it is necessary to combat IPR infringements in order to lower the risks they pose to the health and safety of consumers and to the environment and in order to avoid economic and social consequences for EU businesses and creators; whereas the fight against organised crime profiting from trade in counterfeit and pirated goods requires specific attention;

*Amendment*

H. whereas it is necessary to combat IPR infringements in order to lower the risks they *can* pose to the health and safety of consumers and to the environment and in order to avoid economic and social consequences for EU businesses and creators; whereas the fight against organised crime profiting from trade in counterfeit and pirated goods requires specific attention;

Or. en

**Amendment 25**  
**Marine Le Pen**

**Motion for a resolution**  
**Recital H**

*Motion for a resolution*

H. whereas it is necessary to combat IPR infringements in order to lower the risks they pose to the health and safety of consumers and to the environment and in order to avoid economic and social consequences for *EU* businesses and creators; whereas the fight against organised crime profiting from trade in counterfeit and pirated goods requires specific attention;

*Amendment*

H. whereas it is necessary to combat IPR infringements in order to lower the risks they pose to the health and safety of consumers and to the environment and in order to avoid economic and social consequences for businesses and creators *in the Member States*; whereas the fight against organised crime profiting from trade in counterfeit and pirated goods *and the failure to control both the internal and external borders of the EU* requires specific attention;

Or. fr

**Amendment 26**  
**Emma McClarkin**

**Motion for a resolution**  
**Recital I**

*Motion for a resolution*

I. whereas a comprehensive IPR legal framework should be combined with effective enforcement, while ensuring that IPR enforcement measures do not unduly burden legitimate trade;

*Amendment*

I. whereas a comprehensive IPR legal framework should be combined with effective enforcement, ***with reference, where appropriate, to enforcement measures and penalties*** while ensuring that IPR enforcement measures do not unduly burden legitimate trade;

Or. en

**Amendment 27**  
**Yannick Jadot**

**Motion for a resolution**  
**Recital I**

*Motion for a resolution*

I. whereas a comprehensive IPR legal framework should be combined with effective enforcement, while ensuring that IPR enforcement measures ***do not unduly burden*** legitimate trade;

*Amendment*

I. whereas a comprehensive IPR legal framework should be combined with effective enforcement, while ensuring that IPR enforcement measures ***fully respect the ambit of*** legitimate trade;

Or. en

**Amendment 28**  
**Marielle de Sarnez**

**Motion for a resolution**  
**Recital I a (new)**

*Motion for a resolution*

*Amendment*

***Ia. whereas one of the main features of intellectual property protection is the correct enforcement of existing laws and international commitments, including statutes on penalties;***

Or. fr

**Amendment 29**  
**Alessia Maria Mosca**

**Motion for a resolution**  
**Paragraph 1 a (new)**

*Motion for a resolution*

*Amendment*

***Ia. Considers that diligent identification of all interests involved is required as a necessary step to enable a healthy and legitimate debate on important topics like IPR;***

Or. en

**Amendment 30**  
**Emma McClarkin**

**Motion for a resolution**  
**Paragraph 2**

*Motion for a resolution*

*Amendment*

2. Considers that ***there is no evaluation of the Communication that takes into account both the 2004 Strategy for the enforcement of intellectual property rights in third countries and the rejection of the Anti-Counterfeiting Trade Agreement (ACTA);***

2. Considers that ***the Commission should explore how an informed public debate can be had on the protection and enforcement of IP and what this means for consumers; believes that diligent identification of all interests involved is a necessary part of this process;***

Or. en

**Amendment 31**  
**Alessia Maria Mosca**

**Motion for a resolution**  
**Paragraph 2**

*Motion for a resolution*

2. Considers that there is no evaluation of the Communication that takes into account both the 2004 Strategy for the enforcement of intellectual property rights in third countries and the rejection of the Anti-Counterfeiting Trade Agreement (ACTA);

*Amendment*

2. Considers that ***the debate on balancing of interests is multifaceted and complex, with commercial interests on all sides; considers that the call for improved stakeholder involvement in the debate on IPR need to be accompanied by steps to ensure transparency and legitimacy of all participants; notes that the in this respect*** there is no evaluation of the Communication that takes into account both the 2004 Strategy for the enforcement of intellectual property rights in third countries and the rejection of the Anti-Counterfeiting Trade Agreement (ACTA);

Or. en

**Amendment 32**  
**Emma McClarkin**

**Motion for a resolution**  
**Paragraph 3**

*Motion for a resolution*

3. Stresses that it is not clear by what means and by what method the results included in the Communication could be achieved, in particular as regards what resources will be used and where they will be taken from;

*Amendment*

3. Stresses that it is not ***sufficiently*** clear by what means and by what method the results included in the Communication could be achieved, in particular as regards what resources will be used and where they will be taken from;

Or. en

**Amendment 33**  
**Alessia Maria Mosca**

**Motion for a resolution**  
**Paragraph 3**

*Motion for a resolution*

3. Stresses that it is not clear by what means and by what method the results included in the Communication could be achieved, in particular as regards what resources will be used and where they will be taken from;

*Amendment*

3. Stresses that it is not clear by what means and by what method the results included in the Communication could be achieved, in particular as regards what resources will be used and where they will be taken from, ***also considering the limited resources made available for the purpose of supporting European rightholders who export or who establish themselves in third markets;***

Or. en

**Amendment 34**  
**Daniel Caspary**

**Motion for a resolution**  
**Paragraph 3**

*Motion for a resolution*

***3. Stresses that it is not clear by what means and by what method the results included in the Communication could be achieved, in particular as regards what resources will be used and where they will be taken from;***

*Amendment*

***3. Underscores the fact that the public debate on a fair balance between rightholders' interests and end users' interests is by no means characterised by ideology alone, but, rather, is extremely complex and is driven on all sides by economic interests which are not clear-cut; calls accordingly, in the interests of an informed, transparent and democratic decision-taking process, for economic interests to be scrutinised and disclosed; is convinced that, given those considerations, there ought to be greater stakeholder engagement only if, at the same time, there is greater transparency as to the real motives and commitments to disclose relevant interests;***

**Amendment 35**  
**Alessia Maria Mosca**

**Motion for a resolution**  
**Paragraph 4**

*Motion for a resolution*

4. Considers that there is no clear indication of coordination between internal policies and external policies regarding the protection of intellectual property rights, and stresses the importance of internal improvement on the issue;

*Amendment*

4. Considers that there is no clear indication of coordination between internal policies and external policies regarding the protection of intellectual property rights, and stresses the importance of internal improvement on the issue; ***recognises that coherence between internal and external policies does not negate the need for a tailored approach, recognising the specific facts and circumstances existing in a third country market at issue;***

**Amendment 36**  
**Marine Le Pen**

**Motion for a resolution**  
**Paragraph 4**

*Motion for a resolution*

4. Considers that there is no clear indication of coordination between internal policies and external policies regarding the protection of intellectual property rights, and stresses the importance of internal improvement on the issue;

*Amendment*

4. Considers that there is no clear indication of coordination between internal policies and external policies regarding the protection of intellectual property rights, and stresses the importance of internal improvement on the issue ***whilst ensuring that the interests of each Member State are respected;***

**Amendment 37**  
**Emma McClarkin**

**Motion for a resolution**  
**Paragraph 5**

*Motion for a resolution*

5. Underlines that IPR protection should be seen as a first step – necessary but not sufficient – towards establishing access to a third country’s market, *since export promotion does not have any effect without protection*;

*Amendment*

5. Underlines that IPR protection should be seen as a first step – necessary but not sufficient – towards establishing access to a third country’s market *and that exercising these rights is contingent upon effective enforcement and remedies in the country concerned*;

Or. en

**Amendment 38**  
**Alessia Maria Mosca**

**Motion for a resolution**  
**Paragraph 5**

*Motion for a resolution*

5. Underlines that IPR protection should be seen as a first step – necessary but not sufficient – towards establishing access to a third country’s market, since export promotion does not have any effect without protection;

*Amendment*

5. Underlines that IPR protection should be seen as a first step – necessary but not sufficient – towards establishing access to a third country’s market, since export promotion does not have any effect without *substantive* protection *and the ability to effectively exercise the recognised IP rights*;

Or. en

**Amendment 39**  
**Yannick Jadot**

**Motion for a resolution**  
**Paragraph 5**

*Motion for a resolution*

5. Underlines that IPR protection *should be seen as a first step – necessary but not sufficient – towards* establishing access to a third country's market, *since export promotion does not have any effect without protection*;

*Amendment*

5. Underlines that IPR protection *is an important factor for many companies for* establishing *presence in* a third country's market;

Or. en

**Amendment 40**  
**Emma McClarkin**

**Motion for a resolution**  
**Paragraph 6**

*Motion for a resolution*

6. Stresses that the growing involvement of organised crime in IPR infringements has become a major issue; regrets that the United Nations Convention against Transnational Organised Crime (Palermo Convention) still does not have a protocol on counterfeiting;

*Amendment*

6. Stresses that the *commercial nature and* growing involvement of organised crime in IPR infringements has become a major issue; regrets that the United Nations Convention against Transnational Organised Crime (Palermo Convention) still does not have a protocol on counterfeiting; *encourages international emphasis on tackling enforcement by adopting a 'follow the money' approach aimed at ensuring that those who are the greatest IPR offenders, in particular on a commercial-scale, should suffer financial loss*;

Or. en

**Amendment 41**  
**Marielle de Sarnez**

**Motion for a resolution**  
**Paragraph 6**

*Motion for a resolution*

6. Stresses that the growing involvement of organised crime in IPR infringements has become a major issue; regrets that the United Nations Convention against Transnational Organised Crime (Palermo Convention) still does not have **a** protocol **on counterfeiting**;

*Amendment*

6. Stresses that the growing involvement of organised crime in IPR infringements has become a major issue; regrets that the United Nations Convention against Transnational Organised Crime (Palermo Convention) still does not have an **anti-counterfeiting** protocol;

Or. fr

**Amendment 42**

**Alessia Maria Mosca**

**Motion for a resolution**

**Paragraph 6**

*Motion for a resolution*

6. Stresses that the growing involvement of organised crime in IPR infringements **has** become a major issue; regrets that the United Nations Convention against Transnational Organised Crime (Palermo Convention) still does not have a protocol on counterfeiting;

*Amendment*

6. Stresses that the **commercial nature of many IPR infringements and the** growing involvement of organised crime in IPR infringements **have** become a major issue; regrets that the United Nations Convention against Transnational Organised Crime (Palermo Convention) still does not have a protocol on counterfeiting;

Or. en

**Amendment 43**

**Daniel Caspary**

**Motion for a resolution**

**Paragraph 6**

*Motion for a resolution*

6. Stresses that the growing involvement of organised crime in **IPR infringements has** become a major issue; regrets that the United Nations Convention against

*Amendment*

6. Stresses that **commercial-scale IPR infringements and** the growing involvement of organised crime in **them have** become a major issue; regrets that the

Transnational Organised Crime (Palermo Convention) still does not have a protocol on counterfeiting;

United Nations Convention against Transnational Organised Crime (Palermo Convention) still does not have a protocol on counterfeiting, *and calls on the Commission and the Member States considerably to step up their efforts to bring that about;*

Or. de

**Amendment 44**  
**Marine Le Pen**

**Motion for a resolution**  
**Paragraph 6 a (new)**

*Motion for a resolution*

*Amendment*

*6a. Points out in this regard that organised crime and networks involving the production, distribution and sale of counterfeit products can be combated and dismantled through stringent controls on the flows of people and goods at both the external and internal borders of the EU, between each Member State;*

Or. fr

**Amendment 45**  
**Alessia Maria Mosca**

**Motion for a resolution**  
**Paragraph 7**

*Motion for a resolution*

*Amendment*

7. Appreciates and supports the aim of better coherence between IPR protection and enforcement and other policies, and between the Commission and Member States in reaching the goal; considers that ***IPR protection*** can play a crucial role in the fight against organised crime, money

7. Appreciates and supports the aim of better coherence between IPR protection and enforcement and other policies, and between the Commission and Member States in reaching the goal; considers that ***adequate measures to address IPR infringements*** can play a crucial role in the

laundering and tax evasion;

fight against organised crime, money laundering and tax evasion *and the development of fair and sustainable online business environment*;

Or. en

**Amendment 46**  
**Yannick Jadot**

**Motion for a resolution**  
**Paragraph 7**

*Motion for a resolution*

7. Appreciates and supports the aim of better coherence between IPR protection and enforcement and other policies, and between the Commission and Member States in reaching the goal; considers that IPR protection can *play a crucial role* in the fight against organised crime, money laundering and tax evasion;

*Amendment*

7. Appreciates and supports the aim of better coherence between IPR protection and enforcement and other policies, and between the Commission and Member States in reaching the goal; considers that IPR protection can *contribute* in the fight against organised crime, money laundering and tax evasion;

Or. en

**Amendment 47**  
**Daniel Caspary**

**Motion for a resolution**  
**Paragraph 7**

*Motion for a resolution*

7. Appreciates and supports the aim of better coherence between IPR protection and enforcement and other policies, and between the Commission and Member States in reaching the goal; considers that IPR protection can play a crucial role in the fight against organised crime, money laundering and tax evasion;

*Amendment*

7. Appreciates and supports the aim of better coherence between IPR protection and enforcement and other policies, and between the Commission and Member States in reaching the goal; considers that IPR protection *and resolute measures to combat IPR infringements* can play a crucial role in the fight against organised crime, money laundering and tax evasion *and are essential for a future-proof and*

*innovation-friendly digital market;*

Or. de

**Amendment 48**  
**Yannick Jadot**

**Motion for a resolution**  
**Paragraph 8**

*Motion for a resolution*

8. *Supports the Commission in its work* identifying geographical priorities, using as a starting basis its biannual reports on the protection and enforcement of intellectual property rights in third countries;

*Amendment*

8. *Takes note of the Commission's work in* identifying geographical priorities, using as a starting basis its biannual reports on the protection and enforcement of intellectual property rights in third countries; *underlines that under the TRIPS agreement developing countries have flexibilities to develop their IP laws according to their level of development which must be duly recognized in the reports;*

Or. en

**Amendment 49**  
**Emma McClarkin**

**Motion for a resolution**  
**Paragraph 9**

*Motion for a resolution*

9. Considers that the Strategy does not give sufficient recognition to the distinction between the physical counterfeiting of trademarks and patents and violations of copyright, especially in the digital environment;

*Amendment*

9. Considers that the Strategy does not give sufficient recognition to the distinction between the physical counterfeiting of trademarks and patents and violations of copyright, especially in the digital environment, *notes that with increasingly rapid trends of digitisation that the issue of IPR protection and enforcement in the digital world will assume increasing importance worldwide;*

**Amendment 50**  
**Emma McClarkin**

**Motion for a resolution**  
**Paragraph 10**

*Motion for a resolution*

10. Considers that the Strategy should include a strong collaboration with customs authorities to ensure horizontal coherence;

*Amendment*

10. Considers that the Strategy should include a strong collaboration with customs authorities ***and market surveillance authorities*** to ensure horizontal coherence;

Or. en

**Amendment 51**  
**Tonino Picula**

**Motion for a resolution**  
**Paragraph 10**

*Motion for a resolution*

10. Considers that the Strategy should include a strong collaboration with customs authorities to ensure horizontal coherence;

*Amendment*

10. Considers that the Strategy should ***be better adapted to the digital environment*** ***and*** include a strong collaboration with customs authorities to ensure horizontal coherence;

Or. en

**Amendment 52**  
**Yannick Jadot**

**Motion for a resolution**  
**Paragraph 10**

*Motion for a resolution*

10. Considers that the Strategy should

*Amendment*

10. Considers that the Strategy should

include a strong collaboration with customs authorities to ensure horizontal coherence;

include a strong collaboration with customs authorities to ensure horizontal coherence, ***but emphasizes that custom officials are neither trained nor capable of handling civil disputes over patent infringement and therefore should not be allowed to intervene in this domain without judicial authority decision;***

Or. en

**Amendment 53**  
**Marine Le Pen**

**Motion for a resolution**  
**Paragraph 10**

*Motion for a resolution*

10. Considers that the Strategy should include a strong collaboration with customs authorities to ensure horizontal coherence;

*Amendment*

10. Considers that the Strategy should include a strong collaboration with customs authorities ***of the Member States*** to ensure horizontal coherence;

Or. fr
