

ORAL QUESTION WITH DEBATE O-0058/07
pursuant to Rule 108 of the Rules of Procedure
by Guido Sacconi, on behalf of the Temporary Committee on Climate Change
to the Commission

Subject: Commission's strategy for the Bali Conference on Climate Change (COP 13 and COP/MOP 3)

What is the Commission's strategy to ensure that the Parties to the Climate Change Convention reach a negotiation mandate? What will the Commission do to ensure that this negotiation mandate imposes binding emission targets which would lead to the necessary global emission reductions in the coming decades?
