Udo Voigt (NI)

Subject: Who wrote the application for aid for Greece?

Is it true that the application for an extension to aid for Greece, which was delivered in Brussels, together with the planned reforms, by Greek Finance Minister Yanis Varoufakis, was drawn up by an EU official from the Commission's Directorate for Economic and Financial Affairs?

Can it be assumed that the application is therefore not an expression of the sovereign will of the Greek government but was dictated by the Commission in Brussels?
