

Question for written answer P-003786/2015
to the Commission
Rule 130
Eleni Theodorou (PPE)

Subject: Inadequate monument cleaning in Turkish-occupied Northern Cyprus

Given that Cyprus needs to earmark adequate amounts of annual EU cultural heritage grants to the cleaning of dilapidated religious monuments and cemeteries (small project activities), can the Commission say why insufficient attention is being paid to this?

Can it also indicate the amounts earmarked for this purpose by the Technical Committee on Cultural Heritage and list the monuments cleaned by it over the last two years?
